Dominga,

I am very excited to work with you on the My First Loves project. After many years of partnering with you with Crème Magazine it is a delight to see this come to fruition. Through SmartFlyer, I will provide the most cost-effective travel arrangements, securing locations and production base for cast/crew in Atlanta. With over 10 years as a travel consultant in the entertainment market, I look forward to a great partnership in making the production process as seamless as possible. SmartFlyer is also very active in both the entertainment and fashion industries providing us with a variety of vendor contacts nationwide.

I recently had the opportunity to provide international travel arrangements for Viacom/BET's "My Black is Beautiful" documentary airing this June. Please visit our website for more details about the SmartFlyer family at www.smartflyer.com.

Again, I share in your excitement and welcome the opportunity to be a part of this wonderful project. Have a great day and please contact me if I may be of further assistance.

Warmest regards,

Kamala Cummings
